

RRVA
MEMBERSHIP SERVICES

1. **LEGISLATIVE COORDINATION** – There is no stronger advocate for legislation affecting the Red River region than the RRVA for water resource projects. We provide annual testimony for Federal appropriations and coordinate our efforts with our 8 U.S. Senators and 10 U.S. Representatives.
2. **RESOLUTIONS** – Provide to you support for or against proposed changes to federal water resource laws and regulations, which affect the citizens in the Red River region.
3. **NEWSLETTERS** – Newsletters providing updates on projects, development activities and general information.
4. **CONFERENCES** – Provides presentations, workshops, exhibits and network opportunities for development in our region. Conduct four annual conferences in Shreveport/Bossier, Texarkana, Oklahoma, and Wichita Falls.
5. **IDENTIFY PROJECTS** - Assist communities in identifying water resource projects and coordinating them through the proper legislative channels.
6. **REGULATORY PROCESS** - Assist anyone with the procedures and guidelines for Section 404 and Section 10 permits, dealing with wetlands and structures in navigable waters.
7. **FEDERAL AGENCY FACILITATION** – Coordinate and facilitate issues or information with federal agencies such as the Corps of Engineers, Natural Resource Conservation Service (NRCS) and U.S. Coast Guard.
8. **PUBLIC AWARENESS** – Assist communities on educating the public on the value of water resource issues and projects.
